Sheriff McCranie exercises his discretionary authority not to release records set forth under [§2.2-3705.1](#), [§2.2-3705.2](#), and [§2.2-3706](#). This agency shall not release identifying information of a personal, medical, or financial nature where the release of such information would jeopardize the safety or privacy of any person.

### [§ 2.2-3704.01. Records containing both excluded and nonexcluded information; duty to redact.](#)

No provision of this chapter is intended, nor shall it be construed or applied, to authorize a public body to withhold a public record in its entirety on the grounds that some portion of the public record is excluded from disclosure by this chapter or by any other provision of law. **A public record may be withheld from disclosure in its entirety only to the extent that an exclusion from disclosure under this chapter or other provision of law applies to the entire content of the public record. Otherwise, only those portions of the public record containing information subject to an exclusion under this chapter or other provision of law may be withheld, and all portions of the public record that are not so excluded shall be disclosed.**

### [§ 2.2-3705.1. Exclusions to application of chapter; exclusions of general application to public bodies.](#)

The following information contained in a public record is excluded from the mandatory disclosure provisions of this chapter but may be disclosed by the custodian in his discretion, except where such disclosure is prohibited by law. Redaction of information excluded under this section from a public record shall be conducted in accordance with [§2.2-3704.01](#).

**1. Personnel information concerning identifiable individuals, except that access shall not be denied to the person who is the subject thereof.** Any person who is the subject of such information and who is 18 years of age or older may waive, in writing, the protections afforded by this subdivision. If the protections are so waived, such information shall be disclosed. Nothing in this subdivision shall be construed to authorize the withholding of any resumes or applications submitted by persons who are appointed by the Governor pursuant to [§2.2-106](#) or [§2.2-107](#).

**No provision of this chapter or any provision of Chapter 38 ([§2.2-3800](#)t seq.) shall be construed as denying public access to (i) contracts between a public body and its officers or employees, other than contracts settling public employee employment disputes held confidential as personnel records under [§2.2-3705.1](#); (ii) records of the name, position, job classification, official salary, or rate of pay of, and records of the allowances or reimbursements for expenses paid to, any officer, official, or employee of a public body; or (iii) the compensation or benefits paid by any corporation organized by the Virginia Retirement System or its officers or employees. As used in this subdivision, "test or examination" shall include (a) any scoring key for any such test or examination and (b) any other document that would jeopardize the security of the test or examination. Nothing contained in this subdivision shall prohibit the release of test scores or results as provided by law, or limit access to individual records as provided by law. However, the subject of such employment tests shall be entitled to review and inspect all records relative to his performance on such employment tests.

When, in the reasonable opinion of such public body, any such test or examination no longer has any potential for future use, and the security of future tests or examinations will not be jeopardized, the test or examination shall be made available to the public. However, minimum competency tests administered to public school children shall be made available to the public contemporaneously with statewide release of the scores of those taking such tests, but in no event shall such tests be made available to the public later than six months after the administration of such tests.

5. Records recorded in or compiled exclusively for use in closed meetings lawfully held pursuant to [§2.2-3711](#). However, no record that is otherwise open to inspection under this chapter shall be deemed exempt by virtue of the fact that it has been reviewed or discussed in a closed meeting.

for the purpose of receiving electronic mail from the public body and includes home or business (i) address, (ii) email address, or (iii) telephone number or comparable number assigned to any other electronic communication device.

Nothing in this

subdivision shall be construed to prevent the disclosure of all or part of any record, other than a trade secret that has been specifically identified as required by this subdivision, after the Department of Defense or federal agency has issued a final, unappealable decision, or in the event of litigation, a court of competent jurisdiction has entered a final, unappealable order concerning the closure, realignment, or expansion of the military installation or tenant activities, or the relocation of the national security facility, for which records are sought.

Nothing in subdivision 1 shall be construed to authorize the withholding of those portions of such information that are not likely to cause the above-referenced damage;

2. 4. All records of persons imprisoned in penal institutions in the Commonwealth provided such records relate to the imprisonment;

5. Records of law-enforcement agencies, to the extent that such records contain specific tactical plans, the disclosure of which would jeopardize the safety or security of law-enforcement personnel or the general public;

8. Those portions of any records containing information related to undercover operations or protective details that would reveal the staffing, logistics, or tactical plans of such undercover operations or protective details. Nothing in this subdivision shall operate to allow the withholding of information concerning the overall costs or expenses associated with undercover operations or protective details;

9. Records of (i) background investigations of applicants for law-enforcement agency employment, (ii) administrative investigations relating to allegations of wrongdoing by employees of a law-enforcement agency, and (iii) other administrative investigations conducted by law-enforcement agencies that are made confidential by law;

Access to personnel records of persons employed by a law-enforcement agency shall be governed by the provisions of subdivision B 9 of this section and subdivision 1 of [§2.2-3705.1](#), as applicable.

E. Records of any call for service or other communication to an emergency 911 system or communicated with any other equivalent reporting system shall be subject to the provisions of this chapter.

F. Conflict resolution. In the event of conflict between this section as it relates to requests made under this section and other provisions of law, this section shall control.
